Dear Sir,

I would like to report a
U.F.O. sighting.

I was outside in the yard of June 23, 1963
with my friend [redacted].

We were looking at the stars through my
telescope when [redacted] looked up and coming
out of the West was a bright object that
was egg shaped.

White in color [redacted] was trying to tell me
it was a satellite but I refused to believe this.
Then whenever it stopped completely he agreed
that it was a U.F.O.

After it started again it turned to the
north and went over the trees in a North
Easterly direction.

Very Sincerely,

[redacted]
